**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.10 Payment for Service, (Cont'd.)**

**2.10.6** The Customer shall be responsible for all calls placed by or through Customer's equipment by any person. In particular and without limitation to the foregoing, the Customer is responsible for any calls placed by or through the Customer's equipment via any remote access features. **2.11 Deposits**

The Company does not require deposits for South Carolina services other than prepaid calling cards.

**2.12 Advance Payments**

The Company does not require advance payment for South Carolina services.

**2.13 Interruption of Service**

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the Customer, or to the failure of channels, equipment and/or communications systems provided by the Customer, are subject to the general liability provisions set forth in this tariff. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired by the Customer. Before giving such notice, the Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by the Customer. Interruptions caused by Customer-provided, or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via LEC access. For purposes of credit computation, every month shall be considered to have 30 days. For services with a monthly recurring charge, no credit shall be allowed for an interruption of continuous duration of less than twenty-four hours. For message rated toll services, credits will be limited to, at maximum, the price of the initial period of the individual call that was interrupted.
